From The Board

David Gallatin, Club President

Welcome Back! (To the Future)

As you know by now, Governor Wolf has allowed golf courses to re-open under restricted guidelines effective May 1. We have been working over the last days and weeks to meet these guidelines in a way that inconveniences our membership in the least possible manner.

As a result, we have published [Guidelines](#) for our members to allow for play at Ligonier Country Club that fit both within CDC and PA requirements as well as guidance from several Pennsylvania Golf Organizations that are providing information to all golf courses in the state. Please read the Guidelines that we published through email and are posted on our [website](#). Please also check in frequently as those guidelines are subject to change. We will do our best to let you know when they do.

On behalf of the Board of Governors and Club Management and Staff, we would like to thank all of our members for the support you have shown to our club, both financially and in providing moral support to our staff during these unprecedented times. I hope you will see that we are making progress on the golf course with the re-build of #12 green and the drainage project on the back nine and #5.

We would also like to thank you for your understanding of the changes we have had to make to the long-standing tradition at Ligonier of group play. Ligonier has been known through the years

as a club where you can always find a game with numerous informal groups playing together in a group game. To comply with the Guidelines, we have had to eliminate that form of play for now. When officials determine that we are permitted to enter Phase Two (Restricted Programming) we should be able to return to group play in some fashion. We will let you know when that happens, although that may not be for some time.

In the meantime, stay safe, keep properly social-distancing, and enjoy the fact that we can begin to slowly return to the New Normal.

Ladies Golf Association News

From Barbara Sloan, Secretary/Golf Chair

I am sure we are all delighted to know that we will be able to play golf this season. It is not clear how play will be organized. The Board is waiting for guidance from the CDC and PA Department of Health and expects to inform the membership later this week.

Based on my discussions with Bill Elliott, it is anticipated that those guidelines will be much like those laid out by the Board when social distancing was first introduced. This would mean no group play and no shotgun starts on Tuesdays. I am working with Sean Knaus to find a solution that would still let us play our scheduled games and give us the possibility of signing up for Thursdays and the weekend without having to search for a foursome. Whether this can be done will depend on the guidelines.

Once we have some answers, we will be relying on email blasts to keep you informed of developments. I would urge all to check your email address in the club directory. I have already encountered errors for some members.

The Executive Board is still discussing what dues would be appropriate based on play possibilities. The Board also decided to cancel the invitational rather than reschedule it.

Isabel Jones

1927 – 2020

Isabel left us on April 8th while visiting her sister in Florida. She was a member at Ligonier for over 30 years and will be missed by all. Many of you let me know how proud she was of carrying her bag even into her seventies. In her late seventies she carried a sign for 18 holes at a PGA Tournament at Laurel Valley that made the newspaper. She was the Queen Bee in 2010. One member told me she nicknamed Izzy the assassin because she could destroy you with her short game.

All that happened before I joined Ligonier. In the last two years, she did not play regularly due to health problems. I did have the opportunity to play with her several times. I remember how amazed I was with her ball striking. She could out drive members years her junior.

I did receive a wonderful remembrance from Karen Hough that captures what we all knew about Isabel:

Isabel was absolutely the sweetest woman, with eyes that always sparkled. She loved life, golf and her friends at LCC.

Betty Rosa and I began playing golf at the same time. When I had the courage to join the ladies for golf, she welcomed me with open arms. She was always so kind, encouraging and patient with me and my game.

She made people feel important, always asking about family, work and it's challenges and passing along words of kindness and encouragement. She lived a long and happy life. I am so honored to call her my friend, and I will miss my friend, Izzy.

We all will miss you Izzy.

New COVID19 Policies (Highlights)

- Follow social distancing guidelines at all times.
- Do not gather in the parking lot. Any more than 8 people in an area will be asked to disband.
- As always, outside food and beverage is prohibited. Food and drinks may be ordered for the course and picked up at the clubhouse via the curbside area when available.

- There will not be bottled water available on the course.
- As of May 1st, we will be reinstating the 18% service charge on food and beverage sales. The to-go fee will continue to be waived until the clubhouse is permitted to reopen.
- Only the clubhouse's main floor restrooms will be available for use during golfing hours. It will open and close with the pro shop. Please help us keep the area sanitized for your fellow members and wipe down the area after each use.
- Tee times must be made. No walk ups will be permitted. You must provide all names of your group to the pro shop when making your tee time.
- Please do not show up more than ten minutes prior to your tee time and do not linger after completion of your round to keep congregation to a minimum.
- All membership levels and guests are permitted to play according to normal policies.
- All players MUST check in with the Pro Shop before going to the first tee.
- Curbside Policies have not changed (with the exception of the 18% gratuity being reinstated)
- Birthday Coupon: due to the dine-in requirement for our birthday coupons, and that a number of you won't have the chance to use them, birthday discounts will not be offered in 2020.

Golfers, please review the more detailed reopening guidelines below

From The Pro

Friday, May 1 2020; A day where we have never been so happy to say we can finally Golf. It comes at a perfect time though as the weather is getting warmer and the Golf Course is looking absolutely beautiful.

This newsletter would have had detailed information about upcoming events, but as you may have seen, all May and June events have been cancelled or postponed. We may not have these events upcoming but there is always something to talk about with the Golf operation. Below you will see information on score posting, hole-in-one club, the May Virtual Golf Bash and updated information on events and clinics. My assistant Jesse and I are looking forward to seeing everyone on the Golf Course and even we hope to get a round or two in.

Score Posting- GHIN

-SCORE POSTING WILL START ON FRIDAY, MAY 1

If you have been on the Golf Course or soon will, there are foam pool noodles protecting the cup. These are there so players are no longer reaching in the hole to remove their ball, minimizing possible exposure. So, the question is, can you still post your score if your ball is bouncing off a pool noodle and not going below the surface? The answer is YES. A round played under these conditions will result in an acceptable score for handicap purposes using the most likely score guidelines.

When using most likely score, the player should consider the number of strokes most likely required to complete the hole, and determine whether the ball would have been holed or not. Most likely score is at a player's best judgement and should not be used to gain an unfair advantage.

This is also the perfect time to download the GHIN mobile app, where you can find your handicap as well as post your score. You will need your GHIN# to log into the app so please call the Golf Shop to receive your number.

Hole-In-One Club

The tradition of the Hole-One-Club at Ligonier will continue on and all funds from 2019 will carry over. There is currently over \$800 in the pot and will be paid out (half cash, half Golf Shop credit) for the first hole in one. New for this year, whoever gets a hole-in-one and is in the club, will receive a hole-in-one plaque. Under current conditions we will not be able to start the club but as soon as the ball can go below the surface, we will start. The fee to enter will be \$10 and will be billed to your member account. When someone gets a hole-in-one, you will automatically be billed to start a new fund. Please email or call me to sign-up or check if you are already in.

Golf Shop Sale

The Titleist ProV1/ProV1x, buy 3 get 1 free sale has been extended until May 17. This is also the first time Titleist is offering this sale with the option to do no personalization and still receive one dozen free. If you would like to place an order and discuss your options, feel free to call or email me.

Mother's Day is quickly approaching and we all want to make sure Mom has that special gift. New Cutter & Buck hoodies or B-Skinz Skorts could be the perfect option. If you have something

in mind, give us a call and we'll do our best to have it arrive before Mother's Day.

May Virtual Golf Bash

The Virtual Golf Bash started fast and furious filling up my inbox with messages. If you have not purchased a ticket, we still have tickets available. One question I received was, do I have to watch the bash live to receive a prize? The answer is no, but we would love interaction and if you watch live, you have a chance to win up to \$1,000 in Golf Shop credit by answering trivia questions. We look forward to this exciting event! Please see the flyer below for more information.

Upcoming Events, Fitting Days, Lessons & Clinics

All events scheduled in May and June have either been cancelled or postponed. The Winter Woes and Ladies Only Clinics scheduled in May have also been postponed with the hope to reschedule in June.

Golf Lessons, Club Fittings and Club Fitting Days are allowed under CDC Guidelines. These will have to be made by appointment only, on an individual basis and social distancing must still apply. At this time, the driving range is closed so more information will be available once we open the Driving Range.

If you have any questions about what's listed above, have questions about new product or would like to order anything, feel free to call or email.

Warm Regards,

Sean Knaus, PGA
