

Dear Members,

It is hard to believe that the Fourth of July is right around the corner and sadly in my years as a Golf Professional, once this date comes around, summer flies by even faster. June was a pack filled month, kicking off with our Men's Invitational, crowning a King and Queens, A Parent-Child event to remember and our Junior Camp that was filled with joy of 18 juniors.

Do not think we're slowing down just yet; July will be filled with many more events and hopefully just as good as weather as we had for June! See below for details.

As always, if you have any questions from what is listed below, please call the Golf Shop or email me. We hope to see you out on the course!

Course Information

- Please be aware of our golf cart rules for each day's play. These are posted in the top plaque of the cart as well as the sign by #1 tee. Yellow lines have been painted on the cart path of each hole. When you see these lines, please return your cart to the path. All carts are to remain on the path on all par 3's.
- The following days the Golf Course will be closed and/or tee times will be blocked until later in the day for events/outings. (Call for morning availability on event days)
 - ✓ Friday, July 2- LCC 4th of July Observation Day (Group times in the morning)
 - ✓ Monday, July 5- Golf Shop Closed (Golf Course open for walking only)

Hole-In-One Club

We finally had our first hole-in-one where they were in the club; congratulations to Fred Planinsek. Fred had his hole-in-one on Hole #4.

The hole-in-one club is a unique way to win some money, receive a trophy and treat your friends and members to a drink. Each time someone has a hole-in-one, golfers will receive 50% off the pot in cash and 50% of the pot in golf shop credit.

Hole-In-One Club Pot: \$800

ENTRY: \$10 per person, per hole-in-one (opt-out anytime)

Driving Range, Bag & Cart Storage

The Driving Range will be open Tuesday through Sunday. The range will close at 5:00 PM on Tuesday and Friday nights to clean pick the range.

Please be aware that the driving range rules are no club that travels further than 200 yards should be used. Also, please see the picture below and follow proper divot patterns. This ensures we can maximize our grass tee area.

Local Rules (2021)

These rules are as follow:

- **Stroke and Distance-Out of Bounds**: The club has adopted this USGA suggestion for out of bounds and a detailed description will be posted on the bulletin board and in the locker rooms. If you hit your ball out of bounds or end up losing a ball, you may take stroke and distance on the course, rather than from the tee box. You must decide where your ball went out of bounds or is likely to be lost, find the nearest edge of the fairway, no closer to the hole and drop your ball within two club lengths. You may drop your ball in the actual fairway, and you will be hitting your fourth(4th) stroke. The goal will be to increase pace of play.
- **Out of Bounds on holes #5 & #17**: The out of bounds stakes are no longer and the inside edge of the fence post will act as the out of bounds. A ball is out of bounds when all the ball is outside the edge of the fence.
- **Modified Ground Under Repair on #1 & #2**: The rough area in between holes #1 & #2, up until the 100-yard marker will be deemed Ground Under Repair. The rule will be modified as you may find the nearest “good lie” and place your ball. This rule will be in effect to limit hitting tree roots and rocks left behind from the tree removal project.

If you have any questions about what is listed above, questions about new product for the year, corporate orders, or anything else, feel free to shoot me an email.
