

Dear Members,

The Golf Season is finally here, and we cannot be more excited to have an eventful year. Last week our Member-Guest was a hit, crowning Gross and Net champions, awarding a LCC membership to a local guest golfer and there was a rare hole-in-one on hole 16. Congratulations to our Intermediate Member- Ryan Hassen on his first ever hole in one, Driver in hand!

As many of you know, Jesse and I are back for 2021 but you will see some new faces in and out of the Golf Shop. We have hired a full-time shop assistant, James Marino, who will be with us until the end of October. Next time you are at the club, stop and give James a big LCC welcome. Quick warning, he is a WVU fan!

Below, you will read updated information and reminders of upcoming events including our Men's Invitational which is filling up fast! Junior Golf will be starting very shortly, and we are looking forward to a great season. If your junior has interest in our PGA Junior League traveling team, please contact Sean or Jesse as we have extended the registration deadline.

As always, if you have any questions from what is listed below, please call the Golf Shop. Have a great 2021 Golf season!

Local Rules (2021)

For 2021, we have added THREE new local rules. These rules are as follow:

- **Stroke and Distance-Out of Bounds**: The club has adopted this USGA suggestion for out of bounds and a detailed description will be posted on the bulletin board and in the locker rooms. If you hit your ball out of bounds or end up losing a ball, you may take stroke and distance on the course, rather than from the tee box. You must decide where your ball went out of bounds or is likely to be lost, find the nearest edge of the fairway, no closer to the hole and drop your ball within two club lengths. You may drop your ball in the actual fairway, and you will be hitting your fourth(4th) stroke. The goal will be to increase pace of play.
- **Out of Bounds on holes #5 & #17**: The out of bounds stakes are no longer and the inside edge of the fence post will act as the out of bounds. A ball is out of bounds when all the ball is outside the edge of the fence.
- **Modified Ground Under Repair on #1 & #2**: The rough area in between holes #1 & #2, up until the 100-yard marker will be deemed Ground Under Repair. The rule will be modified as you may find the nearest “good lie” and place your ball. This rule will be in effect to limit hitting tree roots and rocks left behind from the tree removal project.

If you have any questions about what is listed above, questions about new product for the year, corporate orders, or anything else, feel free to shoot me an email. Stay safe, wishing everyone well and we hope to see you on the Golf Course.

Warm Regards,
