

Dear Members,

It seems the golfing season has come to an end and the cold weather is shortly upon us. But we do have one last “hoorah” in our Ray’s Revenge **“The Impossible Open”** on November 13, and we can only hope for decent weather. Either way, the course set-up will be one you’ve never seen!

This year was one for the books and fantastic for Golf, outside parties and all our wonderful events. We thank you to all who participated and hope you enjoyed yourselves when playing. Below will be a recap of all events and winners.

I would like to thank my entire staff for a wonderful year but a big thank you goes out to my Assistant, Jesse Cantley, who has been on my Ligonier journey the last two years and has been a perfect fit. As many of you may have heard, Jesse will be moving on to bigger pastures as he has accepted the First Assistant Golf Professional job at Edgewood Country Club. We wish Jesse the best of luck in his career path and thank him for all his hard work and dedication he showed. Jesse did an outstanding job during his time at LCC, made some wonderful friendships, and hit a golf ball like you’ve never seen before (cracked his driver head twice).

If you’re around the club this coming month, stop in and wish Jesse well; he will be with us until Sunday, November 28.
