## January Projects

It was quite the busy January at LCC.

The clubhouse facility has been painted, lighting updated in the office, and dishroom floor replaced (after finding it mostly rotted). The lighting is also being replaced in the Ballroom as we await a new chandelier! And on these cold days, our grounds crew has been refinishing the grillroom tables.

Before the snow came along, the grounds crew finished some major drainage projects, refurbished #15's right-side sand trap, and transformed #15's fairway bunker to a mound. Other projects will commence once we thaw out.

And as always, Chef Jessica has been reviewing menus and

pricing to bring you the best food at the best value possible, while Sean and Leah plan the event schedule.

Also! The Board approving a new restroom at #10. It will be completed in-house and set into the hill where the old halfway house sat. It will be about double the size of the current restroom. The current restroom is now permanently closed do to aged pipework making it unusable. The building should take 4-6 weeks once the weather allows for work to begin.

A big thank you to our member volunteers who have helped with projects thus far: Daniel McDonald, David Berenbrok, Stan Treskovich, Ed Elliott and Dave Lincoln. Your help is invaluable!

## **Mid-winter Update from the Pro**

Dear Members,

We hope you are having a wonderful start to 2022 and have been staying warm with this bitter cold. We cannot wait to get back into the swing of things and make 2022 one of the best years yet! Soon enough we'll be back out on our beautiful course, enjoying the sunshine!

Our March newsletter will have full details on what's to come in 2022, but below you will see a few new things happening at LCC as well as upcoming items of importance.

### **Virtual Golf Bash**

Our third annual Virtual Golf Bash will be back for 2022 and will happen sometime in early Spring (exact date, TBD).

We will once again have wonderful prizes that include the new TaylorMade Stealth Driver and Callaway Rogue, Motorized Rover Cooler, Cash Prizes and much more!

Look out for an email from Sean with detailed information.

### **Men's Invitational**

Last year's Men's Invitational was superb, and we cannot wait to get things started for 2022. The main formats will stay the same

for 2022 and we will once again have (8) different flights. There will be a few changes that will pique your interest!

More details and information will be sent mid-February.  
2022 Dates: Thursday, June 2 through Saturday, June 4

### **Cap Patrol- New for 2022**

New for 2022 will be a software app that integrates with GHIN and our Tee Sheet.

Cap Patrol will electronically monitor all players, track, and attest every round posted and increase a level playing field.

The app will be great for members to follow play, keep track of current & past play, see other players summer abilities and it also has built in multi-player games perfect for the group that is not sure of what game to play against each other.

If you would like more information on anything listed above or need help with anything to start your Golf season, feel free to email me anytime.

### **PGA Junior League (Junior Golf)**

PGA Junior League will be back for 2022 and registration has now opened for the season. Click the link below or copy and paste the link to your browser and register today.

Last year was the first year Ligonier has held a PGA Junior League and it came with great success. There is no better way to get your juniors involved in the game of golf competition than PGA Junior League. Not only does it show Golf can be a team sport but grows friendships that can last a lifetime.

**What is PGA Junior League:** PGA Junior League is a fun, social and inclusive opportunity for boys and girls, ages 13 & under, to learn and enjoy the game of golf. All participants play as a team under the Scramble format, wears jerseys with numbered jerseys and practice together just like a regular team.

**Whose it for?.....**Ages 8 to 13 that have the basic idea of the game/rules and minor capabilities to get the golf ball in the air.

**Whose it open to?..**Juniors of members, juniors of grandparents or friends of the family. We will have 12 open spots, once we are full, we will not be able to accept any other players.

**Other information:** Our league will be created shortly but for an example we played two courses (Latrobe Country Club and Oakbrook Golf Club). The season will be short for matches and will be in the months of June & July. Most matches will be during the week at start roughly at 5:30/6:00 pm.
