

Dear Members,

It's hard to believe but our tournament season has officially ended. There is good news though as this coming week looks fantastic for Golf and the season may not be done yet!

Ray's Revenge and our Pumpkin Par-3 had fantastic weather and great attendance for both. Check out Ligonier Country Club's Facebook page to see one of the treacherous holes the grounds crew made.

All in all, this year has been fantastic, from the outside parties to great weather, to wonderful social and golf events. We thank all who participated and hope you enjoyed yourselves when playing. We strive to bring you the best events, format wise, entertainment wise and next year will be no different, if not better.

The year is coming to an end and changes like driving range closure, hours, score posting, and others are here. Please be sure to read the details below.

Lastly, with the Golf Season coming to an end, it is now Holiday Season. If you have something in mind for that special someone, the Golf Shop can cater to your needs and bring you some special ideas you'll see below. Also, be on the lookout for our annual Toys for Tots Toy Drive and Raffle.

Golf Shop/Golf Course Information

Score Posting, GHIN & CAP Patrol

- Score posting will end on Monday, November 14 for the Year
- Score posting will resume on April 1, 2023
- Scores may be posted after November 14 if the Golf Course is in an “active season”.

CAP PATROL

Cap Patrol is new to Ligonier Country Club for this year and is integrated with GHIN and our Tee Sheet. Cap Patrol will be a great tool for monitoring all player’s handicaps, creating a level playing field and create some fun with the games you can play in the APP.

Cap Patrol is free of charge and all we ask is you download the free APP on Google Play Store or the Apple Store.

Once the APP is downloaded, you will be asked to log in with your email and GHIN number. If you need your GHIN number, please call the Golf Shop.

Lastly, click on the link below to see what Cap Patrol is about!

Local Rules- 2022

These rules are as follow:

- **Stroke and Distance-Out of Bounds**: The club has adopted this USGA suggestion for out of bounds and a detailed description will be posted on the bulletin board and in the locker rooms. If you hit your ball out of bounds or end up losing a ball, you may take stroke and distance on the course, rather than from the tee box. You must decide where your ball went out of bounds or is likely to be lost, find the nearest edge of the fairway, no closer to the hole and drop your ball within two club lengths. You may drop your ball in the actual fairway, and you will be hitting your fourth(4th) stroke. The goal will be to increase pace of play.
- **Out of Bounds on holes #5 & #17**: The out of bounds stakes are no longer and the inside edge of the fence post will act as the out of bounds. A ball is out of bounds when all the ball is outside the edge of the fence.
- **Modified Ground Under Repair on #1 & #2**: The rough area in between holes #1 & #2, up until the 100-yard marker will be deemed Ground Under Repair. The rule will be modified as you may find the nearest “good lie” and place your ball. This rule will be in effect to limit hitting tree roots and rocks left behind from the tree removal project.

Warm Regards,
