

Dear Members,

The colder temperatures have arrived and soon we will see the spectacular fall foliage at LCC. Although the temperatures will start to fall and the nights will be shorter, there is still many days of Golf to play. The greens have healed perfectly from aerification, and they will only get better with grass not growing as fast.

September had its ups and downs, but our 5-Person Scamble was once again a hit. We sold out with 100 players and had a fantastic day. Sean's Folds of Honor Marathon went as planned and he was able to get 100 holes and raise another \$1,400 for the foundation!

As said, October is still a great month for Golf, so be on the lookout for our Guest Specials and come participate in our (3) remaining Golf Events. (Bucks & Does Mystery Night, Ray's Revenge & our Pumpkin Par-3.

Lastly, now is the time to start thinking about those holidays' gifts. If you have something in mind for that special someone, the Golf Shop can cater to your needs. Also, be sure to check out the below sections with some great holiday gift ideas!

- Scores may be posted after November 14 if the Golf Course is in an “active season”.

CAP PATROL

Cap Patrol is new to Ligonier Country Club for this year and is integrated with GHIN and our Tee Sheet. Cap Patrol will be a great tool for monitoring all player's handicaps, creating a level playing field and create some fun with the games you can play in the APP.

Cap Patrol is free of charge and all we ask is you download the free APP on Google Play Store or the Apple Store.

Once the APP is downloaded, you will be asked to log in with your email and GHIN number. If you need your GHIN number, please call the Golf Shop.

Lastly, click on the link below to see what Cap Patrol is about!

Local Rules- 2022

These rules are as follow:

- **Stroke and Distance-Out of Bounds**: The club has adopted this USGA suggestion for out of bounds and a detailed description will be posted on the bulletin board and in the locker rooms. If you hit your ball out of bounds or end up losing a ball, you may take stroke and distance on the course, rather than from the tee box. You must decide where your ball went out of bounds or is likely to be lost, find the nearest edge of the fairway, no closer to the hole and drop your ball within two club lengths. You may drop your ball in the actual fairway, and you will be hitting your fourth(4th) stroke. The goal will be to increase pace of play.
- **Out of Bounds on holes #5 & #17**: The out of bounds stakes are no longer and the inside edge of the fence post will act as the out of bounds. A ball is out of bounds when all the ball is outside the edge of the fence.
- **Modified Ground Under Repair on #1 & #2**: The rough area in between holes #1 & #2, up until the 100-yard marker will be deemed Ground Under Repair. The rule will be modified as you may find the nearest "good lie" and place your ball. This rule will be in effect to limit hitting tree roots and rocks left behind from the tree removal project.
