Application for Proprietary Membership

I, _____, being a golf member of at least one year at Ligonier Country Club, request admission to the voting body of members through the purchase of one share at the cost of \$500.

I understand that to remain a voting member, I must remain a golfing member in good standing, keeping up to date with my membership dues. I also know that I am permitted one-year leave from golfing status without having to redeem my stock, but after that year, if I do not return to golf status, my stock will be called back.
